

# Workflow Solution Set™

## Extend the Power of Workflows in Oracle WebCenter Content

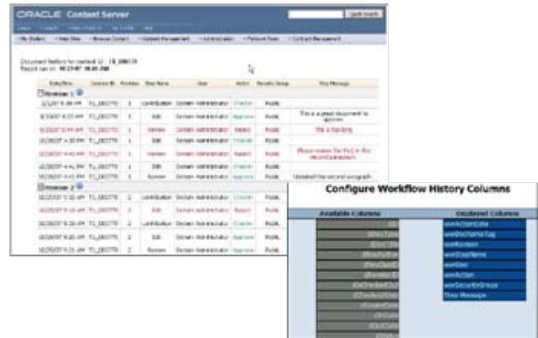

Would you like to streamline workflow implementations?

Do you need the ability to search workflow items?

Would you like to provide WebCenter Content users with an intuitive user interface to customize workflow columns?

Do you need clear visibility into workflow history for auditing purposes?

With Workflow Solution Set, you have all these capabilities and more!

### Power and Simplicity in One Integrated Solution

Workflow Solution Set is a suite of components, sample tokens and scripts that can help organizations take advantage of Oracle workflow functionality quickly and easily, while ensuring a simple experience for end users. It provides an intuitive user interface that simplifies the basic Oracle Content Server workflow interface so users and administrators can better see and access the information that is critical to ensuring a smooth flow of information processes. With the value-add features that Workflow Solution Set provides, customers will be able to realize the full power of Oracle WebCenter Content workflows. Features of Workflow Solution Set include:

- **Workflow in Queue:** Detailed view and quick access to content in workflow queue through customizable interface.
- **Workflow History:** Detailed, permanent history of workflows including comments.
- **Approve with Comments:** Enter comments upon workflow approval - not just rejection.
- **Workflow Search:** Insight into all content in workflow, along with number of days in each step.
- **Custom Email Notification:** Provide explicit instructions within workflow emails.
- **Update Release Date:** Updates content release date to reflect date content was approved.
- **Workflow Review Pane Customization:** Customize the workflow review panes through graphical interface with step-specific instructions.
- **Accept/Reject in Email:** Accept or reject items directly from workflow email.
- **Workflow Timeout Helper:** Implement timeout scripts, including weekdays and business hours.
